

30th May 2023 - Career counseling and opportunities session [Hosted by KPCPC, Bangalore].

We recently had the privilege of hosting a highly informative and engaging career counseling and opportunities session at Sree Cauvery School in Indiranagar. Organized by the esteemed Kavery Placement and Career Planning Cell, the event brought together renowned speakers, Dr. Arjun Bopanna and Group Captain (Retd.) C A Somaiah. Dr. Bopanna shared valuable insights on career prospects in civil services, such as UPSC and KPSC, while Group Captain Somaiah enlightened students about the path to military services in the army, air force, and navy. The session was met with great enthusiasm from the students, who greatly appreciated the guidance and knowledge shared by the speakers. We extend our heartfelt gratitude to Kavery Placement and Career Planning Cell for this wonderful initiative, as well as to Dr. Bopanna and Group Captain Somaiah for their exceptional contributions in helping our students navigate their future career options, we also thank the Kodava Samaja Education Council for having taken this through.
